

Our delivery program will be partnering with DoorDash to deliver food to those in Washington and Ramsey County.

Starting July 11th, we will be changing our delivery days.

We will now offer deliveries:

Monday 11:00am-3:00pm

Tuesday 11:00am-3:00pm

Wednesday 11:00am-3:00pm

By partnering with DoorDash, you will receive quick, up-to-date information about your delivery time.

Please be patient with us during this transition period and reach out with any questions you have about this change.

Delivery Program Change FAQ

What personal information will be shared with the driver?

The person delivering your food will not have direct access to your information. They will be able to call or text you through an app but will not have your actual phone number.

How will I know when my delivery arrives?

You will be sent a text with a map, which will show where your driver is and when your delivery should arrive. The driver will also text you when they are there.

If you do not have texting on your phone, the driver will be able to call you instead.

Why are there only 3 days of deliveries now?

We will be changing to only 3 days a week (Monday, Tuesday, and Wednesday) to make sure everyone will receive a delivery on the day they signed up for.

When should I sign up for a delivery?

Due to the capacity of each food shelf, there will only be 75 deliveries per day. Please sign up as soon as possible to ensure that you get a delivery.
