Valley Outreach

40 YEARS IN THE
COMMUNITY

VALLEY OUTREACH BEGAN 40 YEARS AGO

as a food pantry located in a church basement to help people in need. Since that time, we've expanded programs into an innovative SuperShelf food shelf and related programs, our StyleXchange boutique-style clothing shop and personalized client support services to connect people to social programs they may not even be aware of.

All these services are free to clients.

We strive to be a stable place for the community. We work with other nonprofit partners and experts to strengthen the social safety net. Yet there are many things beyond our control, and we must plan responsibly to ensure we are always here to help.

Will you contribute to the Vibrant Future Fund so Valley Outreach can continue to be a reliable resource for the next 40 years?

By giving to the Vibrant Future Fund, you help create financial stability, no matter what the future throws our way.
