

We are more than a delivery program!

Open Cupboard, Valley Outreach, and White Bear Area Food Shelf
are open to anyone in need!

We have physical locations which can provide **more** food for your family. We ask that if you are able to come to one of our locations that you do not request a delivery to help provide a spot for someone else in need.

Open Cupboard offers a Drive-Up program and inside shopping at our Today's Harvest markets.
No appointment needed.

8264 4th St N,
Oakdale, MN 55128
